

2027 Japan

In 2027, Princess® launches its most extensive Japan season yet, with two ships sailing from Tokyo (Yokohama) all season long. Discover 45 destinations across six countries on 7- to 28-day voyages, where ancient temples, storied castles, vibrant markets and tranquil gardens await. Sail with the #1 International Cruise Line in Japan¹ and experience a journey where timeless tradition meets modern wonder.

Festivals & flowers: In 2027, Princess® offers a variety of ways to enjoy the traditions and beauty of the region. There are opportunities to see four storied local festivals, including the popular Nebuta Festival, with its elaborate floats, and Aomori Nebuta Festival which features towering illuminated floats, traditional music and energetic dancers. We also have sailings that arrive when Japan's famed spring flowers are in bloom. Don't miss an opportunity to wander under canopies in Kochi, and see the striking scene of cherry blossoms surrounding Kochi Castle, built over 400 years ago.

Legendary sites: Visit an array of unforgettable UNESCO World Heritage Sites. These include Mount Fuji, ancient Kyoto, the Buddhist monuments in the Horyu-ji area, the historic villages of Shirakawa-go and Gokayama, the Hiroshima Peace Memorial and more.

Authentic & accessible: Enjoy itineraries and offerings crafted with area tourism boards to showcase the best of local culture, from local landmarks to cuisine. Take in the festivals or night life with More Ashore late-night calls in Aomori, Kochi, Tokushima and Shimizu (for Mt. Fuji). Princess offers a wide range of shore excursions with English-speaking guides. When dining on board, you get the best of both worlds — delicious regional dishes and familiar favorites you love. You can also book your flights seamlessly, thanks to Princess EZair®.

Highlights of Japan cruisetour: Combine a cruise and land tour for a deeper look at Kyoto and Tokyo. Tour Kyoto's intricate gardens, sightsee at Nijo Castle, Kinkakuji Temple (Golden Pavilion), Great Buddha of Todaiji Temple and Kasuga Taisha Shrine. Wander bustling Tokyo and explore the UNESCO World Heritage site of Mt. Fuji with stunning views from Togendai and Lake Ashi.

Diamond Princess® & Sapphire Princess®: Built in Japan, Diamond Princess® offers a unique experience tailored to the region. On Diamond Princess, dine on authentic cuisine at Kai Sushi and enjoy Japanese-inspired cocktails created by mixologist Rob Floyd. Soak in the traditional Izumi bath and enjoy folkloric shows, regional entertainment and Japanese holiday celebrations. In addition to Diamond Princess, Sapphire Princess will be joining her in Japan, bringing an assortment of fine dining, luxurious amenities and craft cocktails, giving guests a relaxing evening after a long day of exploring on shore. Both ships also feature the exclusive Princess MedallionClass™ Experience, with TrulyTouchless™ check-in, keyless stateroom entry and so much more.

"We love working with Princess Cruises® and they have really put so much effort into bringing an immersive and varied Japan experience to their guests. You can really dive into this incredible destination and see more of the country with ease all while still being able to return to those creature comforts at the end of a long day exploring. What a great way to see Japan!"
