

the story of our food

Every dish has a tale to tell. Maybe it's a family recipe carried all the way from a town in India to our ship. Or a childhood love of cooking that led to a career as a chef. Or the memory your server shares of the first time he tried the entrée he sets down before you. With so many options for dining, you'll experience plenty of stories and return home with your own.

Dine My WaySM personalized dining

Dine when and how you want with this new offering that lets you customize every aspect of mealtime. Make reservations for the main dining room or specialty restaurants at your preferred time each day. Fit in a formal dinner before a show, or order food and drinks to your poolside perch with OceanNow[®] delivery. The choice really is up to you.

Club Class Dining

If you're a Club Class or Full Suite guest, you'll love eating in this exclusive area of the main dining room with reserved seating just for you. Other features include a dedicated waitstaff and uniquely styled décor.

Casual dining

Feeling casual? There's a whole world of possibilities at your fingertips, from what *USA Today* has called the "best pizza at sea" and other top-deck eats and treats to the Atrium's popular International Café with quick bites and specialty coffees.

NOTE: Reservations suggested and a cover charge or a la carte charges apply.

meet our culinary team

Our chefs come from around the world and have two things in common: a love of food and a passion for sharing that joy (and a family recipe or two) with as many people as they can. You can taste it in everything they create, whether it's a flaky pastry at World Fresh Marketplace or a multicourse Chef's Table dinner. We've also teamed with these expert chefs to offer you even more world-class dining options.
