Future Cruise Deposits (FCD) are available for purchase onboard by Seabourn Club Members. Future Cruise Deposits may only be applied to new bookings with Seabourn. The Future Cruise Deposit discount is individual to the Club Member Number associated with the Future Cruise Deposit. The 5% discount will only apply to the gross cruise-only base fare and may not be used for onboard expenses, pre- and post-cruise packages, shore excursions, taxes, fees and port expenses, SeabournShield®, Flight Ease® air, or other optional programs or services. Future Cruise Deposits are applied sequentially, before final payment, are not transferrable and apply to the first and second guest in a suite only. Additional deposit payments may be required to satisfy the total deposit amount due on a booking. Guests or their travel advisors should request a Future Cruise Deposit be applied at the time a new reservation is booked. A limit of one (1) 5% discount may be applied per guest per booking, although multiple Future Cruise Deposits may be required if reserving a Grand voyage or combining voyages for longer sailing durations. Currency will be determined by the currency your current onboard booking is reserved under (and/or country of residency) and can only be applied to a reservation matching the currency of the Future Cruise Deposit. Future Cruise Deposits are not combinable with exclusive discounted Y** fares. Other restrictions may apply. Future Cruise Deposits not applied to a booking within four (4) years of the date of purchase will be automatically cancelled and refunded back to the original form of payment and will result in a forfeiture of the 5% discount.
